OUR OPEN HOUSE

OUR PRINCIPAL

To the Class of '67:

Today we live in an ever-changing world. People and places continually take on new faces and new meaning. With courage, men venturing into space brave the unknown in search of adventure and precious knowledge. These pioneers leave an indelible mark. Our spacemen bring honor and glory to the United States.

In a similar manner, you the first class to be graduated from Brownsville Area High School must perform. Having completed the first phase of your education successfully, you enter into an adult world characterized by competition. If you utilize the training and teaching imparted by your parents and teachers, I know you will be successful and happy in future endeavors. Educational opportunities today are numerous. Federal and state governments provide financial support to those interested in furthering their education. New technological advancements broaden the field of endeavors open to all. Each of you can enjoy a rich, full life, but you must plan and persist in order to achieve success.

Sincerely yours,
Alex Barantovich

OUR VICE-PRINCIPAL

To the Graduates of Brownsville Area Class of '67:

As you go forth in the world of tomorrow, it behooves you to remember that a person is what he is because of the sum total of the influences that he has met in the past. Whatever those influences were does not preclude the application of new influences and new learning patterns now or in the future. The final know-how for developing maturity and emotional status is yet to be learned. However, there is already quite a bit we do know; let us begin to apply that.

Congratulations and good luck in the future to the very first graduating class of the Brownsville Area Senior High School.

National Honor Society

The National Honor Society creates an enthusiasm for scholarship, stimulates a desire to render service, promotes worthy leadership, and encourages the development of character for students of the Brownsville Area High School. Students are voted into membership by a faculty committee from all curriculums: academic, general, commercial, and vocational. Since the membership is based on school enrollment, the membership is limited. Mrs. Baron, the guidance counselor, sponsors the National Honor Society Chapter at Brownsville Area High School.

Other activities in which club members have participated include a dance, a Christmas party and banquet, and an awards banquet.

Caesar at the hands of the Roman senators.

The Latin Club, sponsored by Miss Harriet Walker, has proved by means of its activities that Latin is not dead. Through the many programs held by this club, members have become aware of the importance of the Latin language. A first edition encounters many problems that only experience can correct. The literary, advertising, and secretarial staffs may have lacked the experience, but they had the interest and perseverance to meet the deadlines. These staffs hope the future yearbooks will be bigger and better, and that its legacy, though humble, is the foundation.

Interact Club

The Interact Club, sponsored by the Republic Rotary, is mainly a service organization whose chief goals are to promote international understanding and to serve the community. The group has donated money to the library for new books, to the heart fund, to the yearbook, and to the senior class. This money was raised from a dance held in the fall and a spaghetti dinner in March. Some of the members have corresponded with students in Hong Kong and shown movies at the country home. The club is to be commended for its good work.

Brownsville Area National Thespian Troupe 187 is the merger of Brashear Troupe 187 and Redstone Troupe 2547. The national policy of Thespians has been to retain the smaller number for the merged school.

By February the combined membership had grown from thirty to seventy-seven members as forty-seven apprentices completed the entrance requirements.

At the Christmas assembly Thespian Troupe 187 made its first appearance in the new auditorium by presenting a series of tableaux depicting the Nativity. "Tammy Tell Me True" was in production during the first three months of '67. Later productions were a choral reading, a mystery, and a comedy.

Closing activities included the Pennsylvania State Drama Conference at Mount Lebanon and the Annual "Oscar" Awards Banquet.

Falcon Head Coach
JACK HENCK

It wasn't a year to bring home the trophies, but it was a year of experience for the new team—Brownsville Area Falcons. The Falcons provided many thrilling moments for the spectators. Many times victory was close, but this year, Lady Luck was not to smile upon the eager Falcons. Even so, Clyde Carderelli and Wallace Johns were chosen as All-Stars at the Big Nine Banquet.

MANAGERS; *Kneeling:* Harris. *Standing:* Deems, Ballant, Polenitz

The Brownsville Area Falcons' basketball team made its debut on November 26. A record of four wins didn't put the Falcons in the Pitt Field House, but it did provide area fans with many evenings of good basketball. The Union-town-Brownsville game was one of those games that remain in the memory books of the fans.

This year Coach Dankovich's team had seven seniors. High scorer this year was Roger Bishop.

In vain we fondly strive to trace
The soul's reflection in a face;
In vain we dwell on lines and crosses
Crooked mouths and short probosces;
Boobies have looked as wise and bright
As Plato and the Stagyrte.
